

What color is it?

mutar color (yellow, white, brown with no hint of red)

reddish/blackish

Tehora

Where is it?

colored garment, upper body, outer thigh, pad (as long as it's not a real flow,) pantyliner, toilet paper, toilet bowl, toilet seat, toilet water, (not immediately after urinating)

Tehora

lower body, white garment, something that is mekabel tuma'a that's white

How big is it?

the size of a penny or smaller (if on skin, and there are numerous small stains, add them all up to see if they together amount to more than a penny--if they do, then Niddah)

Tehora

bigger than a penny (look at only the "bad" color part of the stain to evaluate size)

Can it be attributed to any other source (e.g. a UTI, hemorrhoids, a cut, red nail polish, a shaving nick)

YES

Tehora

NO

Niddah
